## Frequently Asked Questions:

### Cost?

We are striving to keep costs minimal. The current fees are as follows:

Option 1: Hours: 7:00 a.m.-4:00 p.m., Monday through Friday \$125

Option 2: Hours: 7:45-2:45, Monday through Friday \$105

Option 3: Hours: 7:45-2:45 -Tuesday/Thursday \$45

### Social Distancing, temperatures, masks, and cleaning procedures?

- We are going to distance kids as feasible. Kids will be seated at opposite ends of tables, limited to interaction with their group of 12 kids, and encouraged hand washing and hand sanitization.
- Masks will be worn in hallways and when the chance of interacting with other groups of kids is likely.
- Temperatures will be taken upon arrival each day of all staff and children. Anyone with a temperature of 99.5 or higher will be noted and parents informed. If a temperature of 100.2 or higher is noted then admittance will not be granted.
- Teachers will wear masks when in close proximity to children and when interacting with adults.
- Everyday classrooms will be sanitized and cleaned using CDC Approved procedures and chemicals.

### Will my child be given support in their learning?

Kids will be given assistance in logging onto their assigned class times.

Provided with guidance and reminders to complete assigned tasks.

However, we will not be providing instruction on subjects for your child.

### How will kids be grouped?

We will group kids according to grade level. Some grades may be combined in order to provide adequate staffing and group numbers. Minimum group size is 10, maximum is 12.

### How long will this program last?

This program will be offered five days a week during the virtual learning season, currently through September 4, 2020.

At the time of the periodic assessments conducted by the CCPS Board and a decision is not made to go back to full time face-to-face learning a questionnaire will be sent to each family participating in the SWCC Co-Op program to opt in or out for continued enrollment. If a hybrid option is given, we will have to reassess the program structure and viability.

### I don't need 5 days a week, are their other options?

Possibly, given the popularity of a 2 day option, we are opening that up for enrollment but it is contingent on enrollment and facilitators available.

### My kid has an IEP or 504 plan, can they be accepted?

Kids with IEP or 504 Plans can apply, but will only be accepted as we are capable of serving the best needs of the child.

### Are their discounts or scholarships available?

There may be availability for discounts or scholarships soon, but it would be based on if a sponsor could be identified.
